Subject: Fish Lodge Rd tract timber valuation

A timber valuation was performed on the Fish Lodge Rd tract in Lauderdale County, Mississippi. The stand consists of partially thinned planed Loblolly pines. 59, tenth acre plots were installed on a 2 chain by 5 chain grid at one plot per acre across the tract. The value range of the timber is \$49,000-\$59,000. The total current market value of the timber is \$53,773.42 as shown in the Summary Value Report. Also attached are five summary reports detailing volume and a map of the property.

Estimated timber volumes cannot be guaranteed due to variations in mill specifications, timber harvesting and utilization practices. Unit values are also subject to supply and demand market conditions.

We certainly do appreciate the opportunity to represent you in and look forward to being your consulting forester in the future.

Thank You,

Jeremy S. Tew RF
